

I'm writing to let you know about a station that is near and dear to my heart, K-LOVE. What NPR is to secular listening, K-LOVE is to the Christian community. It's a wonderful station that is commercial free. If K-LOVE were to be displaced by an LPFM, this would be stripping away a family friendly station. I believe that K-LOVE is a service to the public in this day and age that restores the innocence to our youth and engerizes all other ages. Thank you for taking the time to read this.
